

Pre-Whipped Icing & Filling

Colors and Flavors

Time is always in short supply, so you will enjoy the efficient benefits of **Flavor Right's Pre-Whipped Colored Icing & Filling**. It's so easy to use and it performs with refreshing agility, piping perfectly into the most intricate forms. Colors maintain their integrity and resist bleeding. Easier still are our flavored icings, and their decadent taste may be the biggest bonus of all. Both come in convenient 7# pails, preventing the product loss that is common with 9# and 15# pails. This is the time to simplify, and colored/flavored pre-whipped icing & filling will make your days easier and your desserts simply gorgeous.
