

Whip'n Ice[®]

Non-Dairy Icing and Filling

Regular or TransZero / Vanilla or Chocolate

Lighter than traditional icing, **Whip'n Ice** has been chosen 2 to 1 over buttercream in blind tasting...proving that today's consumers prefer lighter desserts, as long as they don't have to give up decadent taste. And it looks as good as it tastes—**Whip'n Ice** is a decorator's dream, creating smooth, fine lines that transform desserts into works of art. Best of all, their art continues to look beautifully fresh for an astonishing 5 days at room temperature (7 days, refrigerated)! And it's so simple to use—nothing to add or measure—just pour, whip and decorate.
